

STATtr@k

<http://stattrak.amstat.org>

This website offers tips for applying for a job, being a successful graduate student, and making the transition from coursework to research. The site also provides links to and information about career and mentorship sites, upcoming conferences, and awards and competitions. New articles appear monthly.

Careers in Statistics

www.amstat.org/careers

As the largest professional association for statisticians in the world, the ASA serves as the main clearinghouse for information about jobs, careers, salary, and employment for the statistical profession.

Careers in Biostatistics

www.biostatpharma.com

This website is geared toward individuals interested in biostatistics and features career profiles, education and training information, and tools and resources to use if biostatistics is your passion.

*JobWeb

www.amstat.org/jobweb

A targeted job database and résumé-posting service that helps you take advantage of valuable career opportunities.

JSM Career Placement Service

www.amstat.org/meetings/jsm/2011/index.cfm?fuseaction=placement

Each year, the Joint Statistical Meetings offers the Career Placement Service, a full-service recruiting facility for employers and job seekers. Hundreds of applicants look to the service to begin or further their careers in statistics.

Internships

www.amstat.org/education/internships.cfm

Every December, a list of internship opportunities for students is published in the ASA's membership magazine, *Amstat News*. The list also is posted on STATtr@k and in the education area of the ASA's website, along with additional listings as they come in.

Awards and Scholarships

www.amstat.org/awards

The ASA's awards program recognizes student's contributions to statistics and offers paper competitions, travel awards, grants, and scholarships.

*Young Professionals Group

As a member of this group within the ASA Community, you can post questions, start discussions, and network with like-minded individuals.

ASA STUDENT MEMBERSHIP - ONLY \$15!

www.amstat.org/join

ASA student membership includes subscriptions to *Amstat News* (<http://magazine.amstat.org>) and *Significance* (www.significancemagazine.org) magazines and online subscriptions to *CHANCE* (<http://chance.amstat.org>) magazine and the ASA's premier journals; online access to and networking within the ASA Community; ASA Member News—the ASA's monthly e-newsletter; and information about internships, resources, and career opportunities.

PUBLICATIONS

*CHANCE

<http://chance.amstat.org>

This quarterly magazine is geared toward statisticians and includes entertaining articles about the world of statistics.

*Significance

www.significancemagazine.org

A quarterly magazine that demonstrates, in an entertaining and thought-provoking way, the practical use of statistics in all walks of life and shows how statistics benefits society.

*Amstat News

<http://magazine.amstat.org>

The monthly magazine of the American Statistical Association is the source for everything happening at the ASA and much of what is happening within the statistical community. Read it to learn about educational and employment opportunities, award competitions, networking events, the lives of famous statisticians, and what members with your interests or who live in your area are up to through the section and chapter news. Also, a special career issue is published each September. (The online version of *Amstat News* is available without membership.)
