

NATIONAL WORKSHOP ON STATISTICAL COMPUTING (NWSC)

SEPTEMBER 21-23, 2013

Organized by

Department of Statistics
School of Computational Sciences
Solapur University, Solapur (MS), India

WORKSHOP OBJECTIVES

In the present era of rapid scientific and technological development, it has been accepted worldwide that Statistics plays a vital role in all walks of life and benefits society in general. Experts in many fields are getting more and more interest in applying statistical tools and techniques to the problems in their fields. Many advanced statistical software are being developed and statisticians have a prominent role in using that efficiently.

The aim of the workshop is to introduce R, MINITAB, and MATLAB, and to provide hands-on experience of data analysis using that. The target group of participant includes teachers, researchers, and post-graduate students of Statistics.
